1. This Office announces the conduct of **PAK-Laya: BHSA's 1st Student Assembly** which will be held on June 27, 08:00 AM to 11:30 AM, at the BHSA Conference Hall.
2. Inspired by the Filipino word *paglaya*, which means freedom and liberation, the PAK-laya program aims to inspire and motivate our young leaders to embrace their potential and contribute positively to our community. The PAK-laya program is a series of youth empowerment and leadership seminars that aims to align with the values of youth development and promotion, leadership, and participation in nation building which are enshrined in Republic Act 11190.
3. The assembly will include the following sessions:
 - a. Student Club Presentations: An opportunity for various student clubs to showcase their activities and achievements.
 - b. Promotion of Positive Body Image and Self-Expression: A session aimed at encouraging young artists to embrace body positivity and explore self-expression in a supportive environment.
 - c. Student Q & A: A guided public forum where students can voice their questions, concerns, and suggestions to the student council and school representative
4. One of the primary objectives of the student assembly is to foster a positive body image and encourage self-expression among students. To achieve this, all personnel are likewise encouraged to actively observe and promote a positive body image. This initiative aligns with the principles outlined in the Safe Spaces Act (RA 11313), ensuring that our school remains a supportive and inclusive environment for everyone.
