Dear **Ma'am**,

The Department of Arts and Communication of the University of the Philippines Manila hopes to hold *Lakebay Sining: BA Philippine Arts Caravan* at your institution on March 11, 2026. This outreach and promotional initiative aims to introduce incoming senior high school students under arts-related strands and specializations to the Bachelor of Arts in Philippine Arts program of UP Manila.

The program will feature a career talk by a BA Philippine Arts alumnus, complemented by a series of interactive activities, including an arts workshop, a film screening, and a discussion of the program. These components are designed to highlight the interdisciplinary nature of the degree and its relevance to contemporary creative industries and cultural institutions. The first leg of the caravan was successfully held on January 21, 2026, at the Eugenio Lopez Jr. Center for Media Arts Senior High School.

In this regard, we would like to formally invite the Bataan High School for the Arts to participate in the second leg of the program. Should your institution be interested, we would be pleased to coordinate closely with your office regarding the program details, scheduling, and other logistical arrangements.

We look forward to the opportunity for collaboration and to further strengthening our shared commitment to nurturing talented young artists and cultural practitioners.

Thank you very much.

Very truly yours,

**RYAN MACHADO**
