PARTICIPATION IN PINTIGAN SA SINING: PAGSULONG 2026

1. In line with the implementation of **Pintigan Sa Sining**, this Office announces the participation of Bataan High School for the Arts in ***Pagsulong 2026***, a multifaceted artistic expression exhibit highlighting Filipino women's strength, resilience, collective resistance, and continuing efforts to confront violence and systemic oppression. The activity will be held on November 23–24 at Parola, College of Fine Arts Gallery, University of the Philippines (UP) Diliman, Quezon City.

2. Pagsulong 2026 provides an opportunity for artists, creatives, and human rights advocates to contribute and showcase artistic works that raise awareness about the various forms of discrimination, abuse, violence, and rights violations experienced by women. It also amplifies women's voices, advocacies, and collective actions through artistic and cultural expression.

3. As part of this initiative, BHSA shall engage its learners and faculty members in actual exhibition practices and arts management experiences, thereby bridging classroom instruction with professional and community-based artistic engagements. This undertaking is also intended to **strengthen the implementation of the arts curriculum and further develop learners' competencies** through authentic, experiential learning opportunities that complement classroom instruction. Specifically, the following activities are scheduled:

   a. **November 23, 2026** – Selected Grade 11 Arts Management students, together with two (2) teaching personnel, shall participate in the ingress and preparation of the exhibition as part of their Arts Management class.

   b. **November 24, 2026** – Selected exhibiting artists from the BHSA community, particularly learners from the Visual Arts specialization, together with two (2) teaching personnel, shall attend the opening of the exhibition and engage with the organizers and fellow artists.

4. The participation aims to achieve the following objectives:

a. Raise awareness about the different forms of discrimination, abuse, violence, and rights violations experienced by women;

b. Highlight women's courage, resilience, and determination in confronting violence, injustice, and systemic oppression;

c. Support and amplify women's voices, advocacies, and collective actions through artistic and cultural expression; and

d. Showcase the talents of the BHSA arts community and provide learners and teachers with opportunities to learn directly from exhibition organizers and practitioners.

6. All concerned teaching personnel are enjoined to ensure the proper supervision, attendance, safety, and welfare of the participating learners throughout the activity. Parents/guardians shall likewise be properly informed, and the necessary parental consent and other required documentation shall be secured prior to participation.

7. The concerned personnel and student-participants are expected to observe proper conduct and represent the institution with professionalism and respect throughout the engagement.

8. For information, guidance, and appropriate action.
